About the Centre

Indian Institute of Technology Patna is one of the new IITs established by an Act of the Indian Parliament on August 06, 2008.

Patna which was known as Patliputra has been a center of knowledge since long has been attracting visitors and scholars from many parts of the world such as China, Indonesia, Japan, Korea, Sri Lanka, among others. This has been a land of visionaries. Some of the legends from this region include Lord Gautam Buddha, Lord Mahavir, Guru Gobind Singh, the famous astronomer Aryabhata and the first President of India, Dr. Rajendra Prasad.

IIT Patna has ten departments: These are Computer Science & Engineering, Electrical Engineering, Mechanical Engineering, Chemical and Biochemical Engineering, Civil & Environmental Engineering, Materials Science & Engineering, Chemistry, Physics, Mathematics and Humanities & Social Science departments.

IIT Patna campus is located at Bihta which is approximately 40 kms from Patna. For driving directions and contact details, please point your browser to the following link: <https://www.iitp.ac.in/index.php/en-us/contact?id=190>

The Institute has developed modern facilities that are fully equipped with the state-of-the-art facilities (equipment software and machines) that are routinely used to train and educate students in the following programs:

Indian Institute of Technology IIT Patna

stands as one of the 111 MMTT centers operating nationwide, with three centers located in Bihar. The MMTT centers are actively engaged in conducting the NEP (National Education Policy) orientation and sensitization program. This initiative, carried out entirely online, targets the training of 15 lakh faculty members over a span of three years (2023-24 to 2025-26).

About the Programme

The NEP orientation & sensitization programme will be conducted by 111 MMTT Centres in fully online mode with the target of 15 lakh faculty members over the period of three years (2023-24 to 2025-26).

This Programme will be delivered through 111 MMTT Centres. Two programmes will be conducted in a month catering 200 participants. The motive of the programme is to sensitize and orient the participants to these 8 themes. The faculty members would receive the e-certificate on the successful completion of the programme.

Proposed Outcome of the Programme

- Faculty members will get trained to impart holistic education, imbibing the ideals of India-centric ethics and human values.
- Teachers and Learners will acquire the concept of the Indian Knowledge System to apply it in real life, for the advancement and creation of knowledge.
